Experiences

- Luxury accommodation and well stocked minibars
- All meals, snacks and a large selection of drinks and South African wines
- Safari experiences – access to 75 000 hectares of wilderness, private guides, private vehicles (presidential suites), all game drives, bush walks and talks
- Bush walks with our three trails guides (available for ages 16 – 60). **We're aware that the vast majority of our guests over 60 are in excellent health and fully capable of enjoying our bush walks. However, to comply with North West Parks Board regulations, a medical declaration is a required formality for all guests aged 60 and above.*
- Wildlife and birding photographic opportunities
- Cuisine – a variety of dining experiences under the direction of talented chefs combining the best of local produce and international trends
- Outdoor dining in the wild, under the stars
- Cooking experiences for kids and adults
- Gin, whiskey and wine tastings
- Relaxing spa treatments in the secluded spa or, in-suite massages
- Stargazing
- Art experience
- Children focused programmes

Conservation Experience

- Committed to conservation
- Through lodge operations and the Ichikowitz Family Foundation, many conservation projects are facilitated and supported in Southern Africa.
- In Madikwe, guests can participate in a rhino notching conservation experience
- Contributions go to the Madikwe Wildlife Fund
