We strongly encourage all qualifying visitors to process their application and payment online before arrival, as this streamlines the process upon arrival in Namibia.

You require a valid passport with 6 months' validity and three (3) blank pages.

In summary, here are the guidelines:

- Scroll down to E-Services and click **VISA ON ARRIVAL** (the countries supported on the platform are listed here).
- Click **NEW VISA ON ARRIVAL APPLICATION**.
- Create an account.
- Complete the online application.
- Once the visa is approved, proceed to submit payment (N\$ 1600 per person).
- Print your E-Visa Permit with the QR code for presentation on arrival in Namibia.

To complete the online process, you will require:
